

# Meet AIQR by Digitree Infotech

Your restaurant ka smart digital assistant jo 24x7 kaam karta hai. One simple QR scan, aur aapka business automatically grow hone lagta hai — no extra staff, no missed calls, no lost customers.

# Ek QR Code = Complete Digital Sales Team

AIQR scanner aapke restaurant ya hotel ke liye ek intelligent assistant hai jo har customer ko seamlessly handle karta hai. Jab customer QR code scan karta hai, unka data automatically save ho jata hai aur engagement shuru ho jata hai.

Yeh system works like your best sales executive — polite, fast, always available. Customer ki har zaroorat ko samajhta hai aur instantly respond karta hai. No training needed, no salary, sirf results.

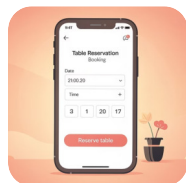

# Customer Scan Kare, Business Automatically Chale

AIQR scanner customers ko complete freedom deta hai — apni convenience pe order karne ki, table book karne ki, menu dekhne ki. Sab kuch automated, sab kuch instant.

## Digital Menu Card

Customer instantly poora menu dekh sakte hain — photos ke saath, prices ke saath. No waiting for waiter, no confusion.

## Table Booking

Customers apne favorite time slot select kar sakte hain. System automatically confirm karta hai aur reminder bhi bhejta hai.

## Order Anytime

Dine-in, takeaway ya home delivery — customer ko jo chahiye wo choose kar sakta hai. AI chatbot 24x7 orders accept karta hai.

## No Calling Needed

Sab kuch WhatsApp pe ho jata hai. Customer questions puche, chatbot turant jawab de. Fast, convenient, aur hassle-free.

# Smart Mini CRM: Har Customer Ko Yaad Rakhta Hai

Jab customer pehli baar scan karta hai, uska phone number aur preferences automatically save ho jate hain. Aapka mini CRM system shuru ho jata hai — smart, organized, aur powerful.

## Weekend Offers

Friday ko automatically special weekend deals bhejo. "Arjun ji, is weekend 20% off on all biryanis!"

## Festival Specials

Diwali, Holi, Eid — har festival pe personalized offers. Customer feel special, aapka business grow.

## Combo Deals

Family combo, couple combo — targeted offers jo customers ko pasand aaye. Smart targeting, better conversion.

Sabse badi baat — messages mein customer ka naam automatically aata hai. "Priya ji, aapke liye special discount!" Personal touch se customer loyalty badhti hai aur wo baar baar aate hain.

# WhatsApp Business Se Brand Trust Badhe

AIQR aapke restaurant ya hotel ka verified WhatsApp Business account create karta hai. Ab messages aapke brand name se jayenge — not from random number, but from "Taj Restaurant" ya "Royal Hotel".

Customers instantly samajh jate hain ki yeh authentic hai. WhatsApp pe professional presence se trust automatically badh jata hai. Aajkal log call karne se zyada WhatsApp prefer karte hain — yeh convenience hai aur security bhi.

Verified green tick ke saath aapka brand premium lagta hai. Customer confidence high rehti hai aur orders bhi easily aate hain.

# Google Reviews Automatically Badhayen

There was an error generating this image

Jab customer order complete karta hai, AIQR system automatically unhe Google Review dene ke liye prompt karta hai — politely, right time pe. Most customers positive experience ke baad review dena chahte hain, bas reminder ki zaroorat hoti hai.

Zyada reviews ka matlab hai zyada social proof. Jab naye customers online search karte hain aur aapke restaurant ko 4.5+ rating ke saath 200+ reviews dekhte hain, to trust instantly ban jata hai.

- Google ranking automatically improve hoti hai
- Local search mein aapka restaurant top pe aata hai
- More walk-in customers naturally aane lagte hain

# Instagram Aur Social Media Followers Organically Badhayen

AIQR system customers ko seamlessly aapke Instagram aur social media pages se connect karta hai. Ek smooth journey hoti hai — QR scan se Instagram follow tak.

## Organic Followers

Real customers jo already aapka food try kar chuke hain wo follow karte hain. Genuine engagement milti hai, fake followers nahi.

## Food Community

Loyal customers aapke food photos share karte hain, tag karte hain. Word-of-mouth marketing automatically hoti hai social media pe.

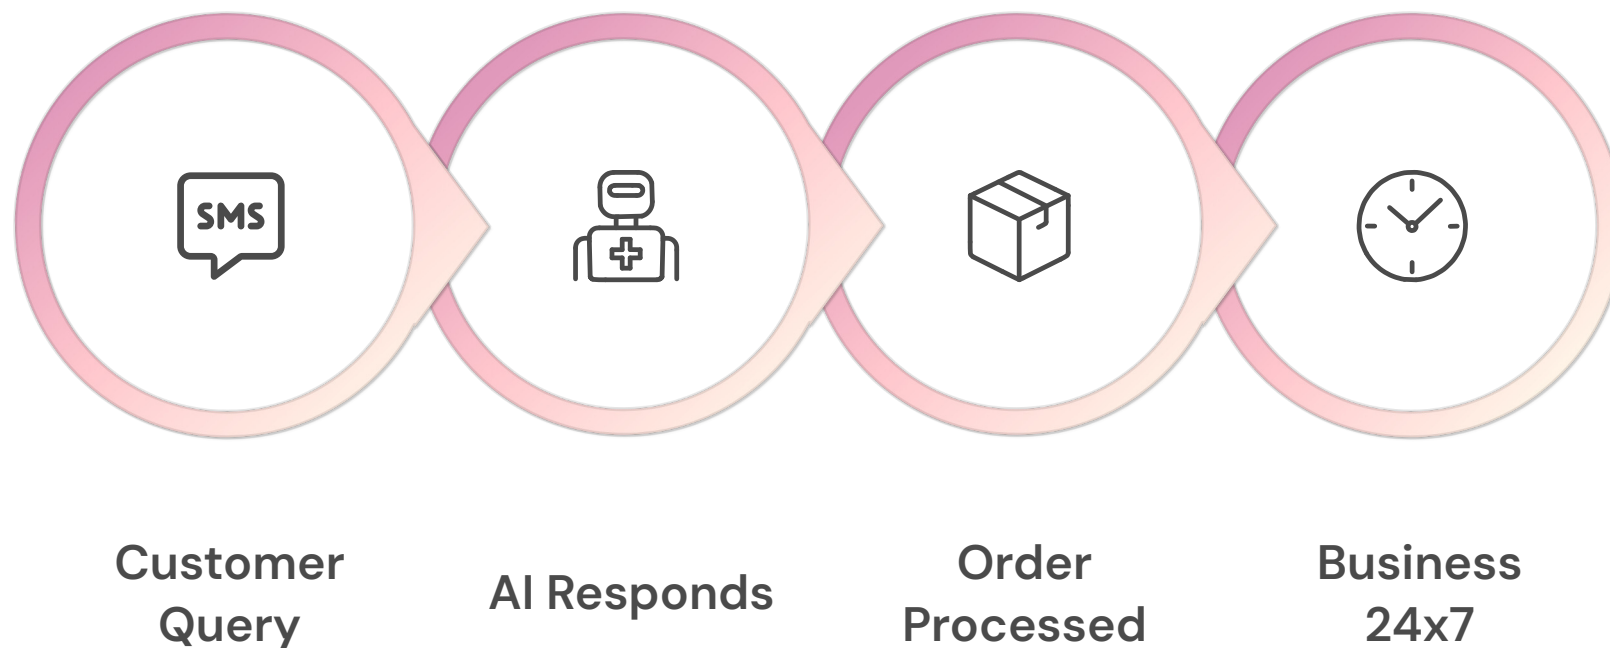

## Brand Visibility

Strong social presence se naye customers attract hote hain. Instagram pe trending hona means more footfall aur more orders.

# 24x7 AI Chatbot: True Business Automation

Imagine karo — raat ke 2 baje koi customer aapka menu dekhna chahta hai ya order karna chahta hai. Normally yeh order miss ho jata. But AIQR ka AI chatbot hamesha active rehta hai.

Yeh real automation hai — no human dependency, no staff training, no overtime costs. Chatbot naturally samajhta hai ki customer kya chahta hai aur turant help karta hai.

## Kabhi Band Nahi

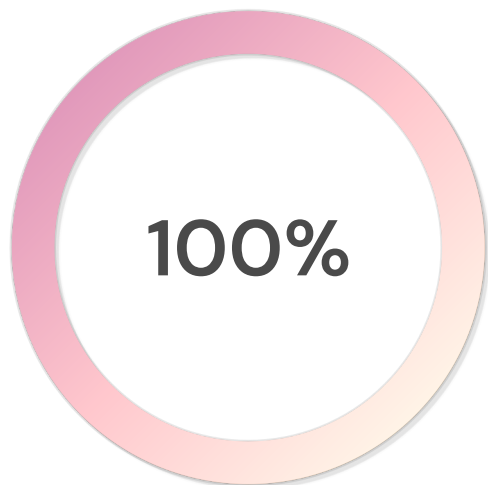

- Holidays pe bhi active
- Late night orders accept kare
- Peak hours mein bhi fast response
- Multiple customers ko ek saath handle kare

## Zero Customer Loss

- No missed calls means no missed orders
- Every query gets instant attention
- Busy line ki problem khatam
- Customer satisfaction automatically high

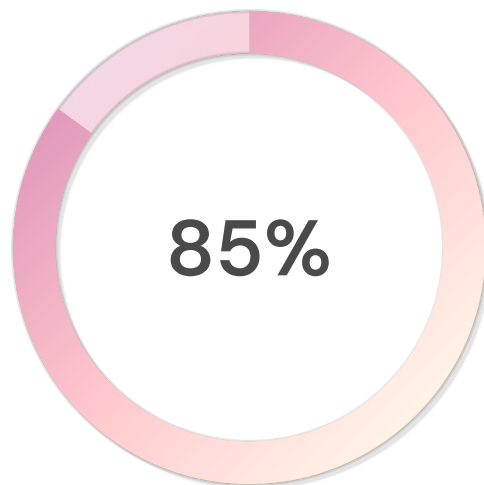

# Har Customer Ka Data Secure, Har Order Tracked

AIQR ka mini CRM dashboard आपको complete visibility deta hai — kon aaya, kab aaya, kya order kiya, kitni baar aaya. Yeh data gold hai for smart business decisions.

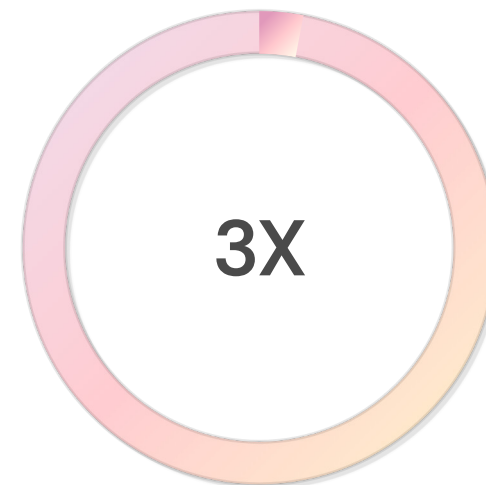

## Data Capture

Every single customer automatically save hota hai. Koi customer data miss nahi hota.

## Repeat Rate

Targeted messages se customers baar baar aate hain. Loyalty naturally build hoti hai.

## Retargeting Power

Old customers ko easily wapas laya ja sakta hai smart offers ke saath.

Dashboard se aap dekh sakte ho — which dishes are most popular, which customers spend more, when is peak time. Data-driven decisions se business strategy improve hoti hai aur profitability badhti hai.

# Ek Scanner, Unlimited Business Benefits

AIQR by Digitree Infotech sirf ek QR scanner nahi hai — yeh aapka complete digital transformation hai. Ek simple solution se aapki puri restaurant ya hotel ki operations transform ho jati hain.

## More Orders

24x7 ordering means revenue kabhi band nahi hoti. Midnight cravings bhi orders ban jati hain.

## Repeat Customers

Smart CRM aur personalized messages se loyalty automatically build hoti hai. Customers baar baar aate hain.

## Higher Trust

WhatsApp Business verified badge, Google reviews, aur professional presence se brand trust skyrocket hota hai.

## Zero Customer Loss

Har customer automatically save, har query instantly answered. Koi bhi customer slip nahi hota.

## Full Automation

Staff dependency khatam. System khud chalta hai efficiently aur consistently.

## All-in-One

Menu, ordering, CRM, marketing, reviews — sab kuch ek scanner mein. Simple yet powerful.
